ANNOUNCEMENT

We offer the purchase of synthetic gypsum produced by PGE Energia Ciepła S.A. Coast Branch, Gdańsk/Gdynia during the third and fourth quarter of 2024 at an estimated amount of approx. 12,000 Mg.

Dear Sir, Madam,

PGE Ekoserwis S.A. conducts market research to identify potential recipients of synthetic gypsum in the third and fourth quarter of 2024.

The submission of the offer will be confirmed:

- Submitting a price offer for a volume of 2,000 Mg +/- 20% (1 part) at the FCA price per 1 Mg. The bidder should take into account that the deliveries will be organised by PGE Ekoserwis transport (the price list of PGE Ekoserwis transport services is specified in Annex No. 1). If the service is not provided by PGE Ekoserwis transport, the customer will collect the material using his own transport. In the event of cross border transport then the customer must collect using his own transport.
- An offer can be submitted for any number of parts (from 1 to 6) on the Offer form.

Please send the offer by Friday (19/07/2024 at 12:00) in letterheaded form to the e-mail address agata.krolicka@gkpge.pl

Offers sent after the deadline will not be considered.
