ANNOUNCEMENT

We offer the purchase of synthetic gypsum as a by-product produced by PGE GiEK S.A. Nowe Czarnewo Power Plant Branch in the third quarter of 2024 in an estimated amount of approx. 2,000 Mg.

Dear Sir, Madam,

PGE Ekoserwis S.A. conducts market research to identify potential recipients of synthetic gypsum in the third quarter of 2024.

The submission of the offer will be confirmed:

- Submitting a price offer for a volume of 1,000 Mg +/- 20% (1 part) at the FCA price per 1 Mg. Transport this service is not provided by PGE Ekoserwis transport, the customer will need to collect the material using his own transport. In the event of cross border transport then the customer must collect using his own transport.
- An offer can be submitted for any number of parts (from 1 to 2) on the Offer form.

Please send the offer by Friday (19/07/2024 at 12:00) in letterheaded form to the e-mail address agata.krolicka@gkpge.pl

Offers sent after the deadline will not be considered.
